Brand Guidelines & Production Specification

Version 1.0 · October 2026 · For manufacturing partners

About this document

Prestige Vault sells luxury shadow-box frames: a black velvet display holding a prop cash stack, Prestige Vault packs and sports-car style key fobs. This document sets out how our brand must appear on every product and package, and the exact specification for each item we order.

Contents

01	Overview and mandatory requirements
02	Logo and logo usage
03	Colors
04	Typography
05	Products: the three compositions
06	Custom inserts: packs, money band, key fobs, plaque

08	Personalised orders, samples and quality control

Mandatory requirements

- **No third-party brands or logos anywhere.** Do not use Marlboro, Ferrari, Porsche, Mercedes-Benz, Lamborghini, BMW or any other company's name, logo, emblem or packaging design on any item, including key fobs, packs and stickers.
- All cigarette-style packs must use the **Prestige Vault pack design** in section 06 only.
- All key fobs must be **unbranded**: no car emblems, shields or badges.
- **Prop money must be printed on one side only** and be **smaller than 75% of a real banknote** (US $100 note: 156 × 66 mm, so maximum 117 × 49 mm).
- A physical or photographed **sample must be approved** by Prestige Vault before mass production.

If any requirement cannot be met, please tell us before production starts.

The Keyhole Crest

Our logo is a gold keyhole inside a double diamond, with the name PRESTIGE VAULT. Vector files (SVG) and high-resolution PNGs are supplied with this document.

Primary logo. Gold on black. Use on gift boxes, cards, stickers.

Light version. Black on cream or white backgrounds.

Horizontal logo. For long, narrow areas (box sides, labels).

Crest only. For small items: frame stickers, pack fronts, foil stamps.

Usage rules

Rule	Requirement
Clear space	Keep empty space around the logo equal to the height of the keyhole on all sides.
Minimum size	Full logo: 30 mm wide. Crest only: 10 mm wide (foil: 12 mm).
Colors	Gold on black, or black on cream/white only. Gold foil is preferred over printed gold.
Do not	Stretch, rotate, outline, add shadows or gradients, change the font, or place on busy photos.

Personalised orders, samples and QC

Personalised (Legacy) orders

- We send the name for each order in writing. Copy it exactly: spelling, spacing and punctuation.
- Engraving and band text are always UPPERCASE in Cinzel.
- Send one photo of the finished frame before shipping each personalised order.

Sample approval

- Before the first production run, send one sample of each composition (Starter, Boss, Legacy) or clear photos and a video.
- Mass production starts only after written approval from Prestige Vault.
- Any change to materials, colors or suppliers needs new approval.

Quality checklist (every unit)

Check	Pass standard
Brand	No third-party logos or names on any item
Layout	Items straight, centered, evenly spaced, matching section 05
Fixing	All items firmly attached; nothing moves when the frame is shaken
Velvet	No dust, glue marks, lint or hairs
Glass	No scratches, cracks, fingerprints or bubbles
Frame	Corners tight, finish even, no chips
Gold color	Matches approved sample
Packing	Corner protectors, wrap, gift box, card included
